AFB MEETINGS FOR CAPE BEEKEEPERS AT THE ARC BUILDING STELLENBOSCH ON THE 25 JULY 2009

The venue has been confirmed for a meeting at **Stellenbosch on the 25 July 2009 at the ARC** Conference Room. I know that this is short notice but feel that the importance of the meeting warrants some concessions in this regard. I think most of us are becoming so busy that any delay will only make the meeting more difficult to attend. In addition it is the last weekend that Neil Farrer will be available to speak to an audience of South African Beekeepers. It will also follow closely on a meeting in Pretoria with Government so I hope, as many who are available will attend. See also the New Zealand regulation and management strategy and Mike's document. It will help if you have read these before the meeting.

(Tea at Honeywood on Thursday 23 July 2009 @ 14h30 remains an opportunity for those further away from Cape Town to chat to Neil.)

An **Agenda** for Saturday is as follows:

09h30 - Welcome

09h45 - Neil Farrer to talk about how AFB is managed in New Zealand

10h15 - Mike Allsopp - his working document - 'The road -map'

10h45 - Tea

11h15 - Open discussion on Industry strategy

13h00 - Close

Please pass this message on to those who may be interested.

Regards
